

MEMO FOR DCI

9 Oct 79

1. Just a short backgrounder so you won't get caught short if the subject should arise. You accepted an invitation from the National Press Foundation to attend the play "Night and Day" and a cast party and reception to follow on Tues, 16 Oct. Late Friday (5 Oct) I received a call from LtCol Little, Aide to Gen Omar Bradley, inviting you and Mrs. Turner to be Gen Bradley's guests for the same play. I told Col Little I would be back to him today (I wanted to check with the Press Foundation to see what sort of program they had laid on) on whether or not you would accept. Col Little called me at home yesterday saying he needed an answer then. Since I had been unable to contact anyone at the Press Foundation, I regretted for you.

*Little is aware that you already had an invitation to attend the same event.*
